

Roanoke Electric Cooperative

Your Touchstone Energy[®] Cooperative 

Crowd Fiber

Up to 1 GiG which is equivalent to 1,000
mgbts per second.

How would you like to download, stream, game, and surf
the net at the same time without the interference of
buffering or slow upload?

Roanoke Connect needs your help to determine if we
should bring reliable high-speed internet to our homes,
schools, hospitals, and other businesses in our
REGION.
